

Notification of an Extended Absence from Catholic Regional College Sydenham

Extended absences from the College can have a very serious negative effect on student learning. Of course, some extended absences are unavoidable, such as illness or a serious family situation. However, families should consider the impact of long-term absences that are within their control, such as overseas travel. Extended absences have a particularly serious impact on educational progress in the senior years of schooling and become critical in VCE, as there are specific VCAA requirements for attendance. Extended absences taken without the Principal's approval will put a student's ability to successfully complete that year level at risk.

If you do wish to **apply for approval** for an **extended absence** please complete the form below and submit the request to your coordinator at **least 1 term in advance** of the proposed absence.

Our Expectations:

Be A Learner:

Prior to leaving for the extended absence, it is the student's responsibility to gather all work that is required to be completed while they are absent. Students are to complete all required work during their absence to ensure they are ready to re-enter the classroom on return to school.

Be Respectful:

Students are to make a conscientious effort to catch up on all missed work in order to cause as little disruption to their learning, the learning of other students or the workload of the teacher.

Be Safe:

Students will formally inform the school of the length of their absence and the date of return, in order to ensure the school administration is clear on the reasoning for the student absences.
