In addition, our school-based enterprise businesses provide students with valuable hands-on experiences and real-world insights that help prepare them for life beyond school.

Guided by our motto, *Every Student, Every Pathway*, we are committed to ensuring that every student is supported and encouraged to achieve success in their chosen direction, while recognising and celebrating the light of God in all they do.

This document has been prepared to assist families through the online enrolment process, and we ask Parents and Carers to review it carefully.
